---

Matte  Matte White Border  
 

**Please Note:** Only one paper type per order. 8x10 and above Matte only unless by prior arrangement.

**Special modes: Tick if applicable.**

No Crop Mode If ticked, all prints will be FIT into the print size so that no image area is lost. Digital camera and odd shaped prints will then have a white border similar to the example on the left. More can be found out at the website.  

---

No Corrections If ticked we will not perform any colour or density corrections to your images. The option is useful for those who have already corrected their images.  

**Please Note:** Ensure that you understand these options before selecting. If in doubt more information and examples can be found at [www.orderphotosonline.com.au](http://www.orderphotosonline.com.au)

**Please enter any special notes:**

Your CD-ROM can contain JPEG and TIFF files.

If all your files are to be printed the same size and quantity please write this down below. For orders with multiple quantities of size please provide separate directories on your CD.

For Example: / **4x6\_x1** / would contain images to be printed 4x6 inches one of each.  
/ **6x8\_x2** / would contain images to be printed at 6x8 two of each.

Alternatively you can fill out the filenames on the page below.
